

2017-2018 Wisconsin Coastal Management Program Grant Recipients

Bay-Lake Region (Brown, Door, Kewaunee, Manitowoc, Marinette, Oconto, and Sheboygan Counties)

Project Name	Accessible Kayak/Canoe Launch
Applicant	City of Sheboygan
Grant Amount	\$28,437
Category	Public Access
Contact	Joe Kerlin (920) 459-3459

This project will construct an ADA accessible kayak/canoe launch, trailer parking, and walkways at Kiwanis Park on the Sheboygan River.

Project Name	Beach Park Swim Beach Expansion
Applicant	Village of Egg Harbor
Grant Amount	\$32,000
Category	Public Access
Contact	Ryan Heise (920) 868-3334

This project will develop design and engineering plans for expanding the public beach at Beach Park.

Project Name	Coastal Resource Management Plan for Bradley Lake-Sturgeon Bay Connectivity
Applicant	City of Sturgeon Bay
Grant Amount	\$31,260
Category	Land Use & Community Planning
Contact	Robert Bordeau (920) 756-2912

This project will develop a coastal resource management plan for Bradley Lake that identifies issues and opportunities for sediment removal, fishery restoration, and habitat improvement.

Project Name	Lakeshore Coastal Recreation Study
Applicant	Bay-Lake Regional Planning Commission
Grant Amount	\$25,161
Category	Land Use & Community Planning
Contact	Angela Kowalzek-Adrians (920) 448-2820

This project will create a lakeshore coastal recreation study for the counties of Kewaunee, Manitowoc, and Sheboygan.

Project Name	Outreach and Education of Door Peninsula Coastal Wetland Ramsar Site
Applicant	Door County Soil & Water Conservation Department
Grant Amount	\$18,620
Category	Great Lakes Education
Contact	Krista Lutzke (920) 746-2363

This project will provide education and outreach to private landowners that are adjacent to the Door Peninsula Coastal Wetlands Ramsar Site.

Project Name	Porte des Morts Staircase
Applicant	Town of Liberty Grove
Grant Amount	\$29,500
Category	Public Access
Contact	Walter Kalms (920) 854-2934

This project will construct a staircase at Portes des Mortes Park from the top of the bluff to the water below to provide safe controlled access, and enhance the use of the park and Lake Michigan waters.

Project Name	Technical Assistance
Applicant	Bay-Lake Regional Planning Commission
Grant Amount	\$20,000
Category	Technical Assistance
Contact	Angela Kowalzek-Adrians (920) 448-2820

This project supports coastal management activities and technical assistance to local governments in the Bay-Lake region.

Project Name	Twin Rivers Water Trail Plan
Applicant	Bay-Lake Regional Planning Commission
Grant Amount	\$21,904
Category	Land Use & Community Planning
Contact	Angela Kowalzek-Adrians (920) 448-2820

This task will create an inventory and assessment of all public access locations to the West Twin River and the East Twin River in Manitowoc County, and develop a plan for a water trail on the East and West Twin Rivers.

Project Name	Water Quality Indicators of Human Impacts to the Wetlands of Door County
Applicant	The Nature Conservancy of Wisconsin
Grant Amount	\$29,998
Category	Wetland Protection
Contact	Sarah Gatzke (262) 642-7276

This project will investigate potential linkages between nonpoint source pollution and wetland water quality and habitat health in five Door County wetlands.

Southeast Region (Kenosha, Milwaukee, Ozaukee, and Racine Counties)

Project Name	Bioswale Installation on West Nash Street to West Appleton Avenue
Applicant	City of Milwaukee
Grant Amount	\$24,500
Category	Cumulative & Secondary Impacts:Nonpoint
Contact	Jeffrey Polenske (414) 286-2400

This project will install 5 bioswales in the terrace areas between the curb and sidewalk on West Nash Street. The bioswales will capture stormwater runoff from an area approximately 115,000 square feet in size.

Project Name	Breakwater Gateway Public Access Project
Applicant	City of Port Washington
Grant Amount	\$82,650
Category	Public Access
Contact	Mark Grams (262) 284-5585

This project will construct a public access boardwalk/paddlecraft dock in an approximately 1 acre parcel located at the northern end of the harbor near the public marina.

Project Name	Building Residential Environmental Awareness and Stewardship in the Kinnickinnic River Watershed
Applicant	Sixteenth Street Community Health Centers
Grant Amount	\$31,128
Category	Great Lakes Education
Contact	Benjamin Gramling (414) 897-5163

This project will implement a series of free, interactive, bilingual environmental workshops, activities and field trips for families, children and adults living near the Kinnickinnic River in Milwaukee.

Project Name	Dangerous Rip Current Warning, Communication, and Awareness/Response in Port Washington
Applicant	University of Wisconsin-Madison
Grant Amount	\$29,969
Category	Great Lakes Education
Contact	Chin Wu (608) 263-3078

This project will implement an observation system for real-time rip current risk warning at South Beach, update a dynamic kiosk system for risk communication, and conduct outreach and education on waterfront safety awareness.

Project Name	Design of Accessible Path for Shoreline Park
Applicant	City of South Milwaukee
Grant Amount	\$29,500
Category	Public Access
Contact	Kyle Vandercar (414) 762-2222

This project will design an ADA accessible path from the top of the bluff to the beach as depicted in the preliminary park plan for Shoreline Park.

Project Name	Green Infrastructure and Stormwater Management at the Port of Milwaukee
Applicant	Harbor District, Inc.
Grant Amount	\$29,000
Category	Cumulative & Secondary Impacts:Nonpoint
Contact	Lilith Fowler (414) 643-1266

This project will prepare a Green Infrastructure Stormwater Management Plan to improve stormwater management at the Port of Milwaukee, and identify opportunities to incorporate green infrastructure into systems on Jones Island and at Grand Trunk.

Project Name	Harborside District Connections Design
Applicant	City of Racine
Grant Amount	\$30,000
Category	Land Use & Community Planning
Contact	Amy Connolly (262) 636-9151

This project will develop public space schematic designs for The Harborside District on the Root River that include alignment, cross-sections, and preliminary cost estimates for stormwater infrastructure improvements and public space enhancements.

Project Name	Improving Lake Michigan Public Access in the Ozaukee County Park System
Applicant	Ozaukee County
Grant Amount	\$50,000
Category	Public Access
Contact	Andrew Struck (262) 238-8275

This project will develop the engineering, design, and construction of a passive public access to Lake Michigan along the 130 foot high clay bluff at Virmond County Park.

Project Name	Launching a Green Infrastructure Center of Excellence
Applicant	Southeastern Wisconsin Watersheds Trust (Sweet Water)
Grant Amount	\$44,500
Category	Great Lakes Education
Contact	Linda Reid (414) 382-1766

This project will launch a Green Infrastructure Center of Excellence in Southeastern Wisconsin to scale up green infrastructure implementation and improve water quality in the region.

Project Name	Love Our Water
Applicant	Highland Community School
Grant Amount	\$9,096
Category	Great Lakes Education
Contact	Michaela Lewellyn Humpal (414) 342-1412

The program is an experiential education program for elementary school students focused on increasing awareness and stewardship of freshwater resources.

Project Name	Mequon Preservation Partners: Support & Targeted Outreach for Open Space Protection
Applicant	Ozaukee Washington Land Trust
Grant Amount	\$38,582
Category	Land Use & Community Planning
Contact	Tom Stolp (262) 338-1794

This project will facilitate development and early implementation of the City of Mequon's Open Space Preservation Plan.

Project Name	Paddling Through History: Shipwreck Interpretation for Paddlers
Applicant	Wisconsin Historical Society
Grant Amount	\$29,733
Category	Great Lakes Education
Contact	John Broihahn (608) 264-6496

This project will conduct a Phase II archaeological field survey of a nearshore shipwreck, the steamer Toledo, as part of the Mid-Lake Michigan Shipwreck Paddler's Trail development.

Project Name	Technical Assistance
Applicant	Southeastern Wisconsin Regional Planning Commission
Grant Amount	\$20,000
Category	Technical Assistance
Contact	Thomas Slawski (262) 547-6721

This project supports coastal management activities and technical assistance to local governments in the Southeast region.

Project Name	Turtle "Park" Habitat Restoration
Applicant	Milwaukee Metropolitan Sewerage District
Grant Amount	\$39,600
Category	Restoration:Habitat
Contact	Kimberly Gleffe (414) 271-8000

This project will establish a high quality natural area at the southern end of the Milwaukee River Greenway.

Project Name	Upland Rain Gardens for NPS Pollution Control - Samuel Myers Park
Applicant	City of Racine Health Department
Grant Amount	\$49,765
Category	Cumulative & Secondary Impacts:Nonpoint
Contact	Julie Kinzelman (262) 636-9501

This project will install a 4,500 square foot rain garden at Samuel Myers Park in Racine at the intersection of a circle drive and asphalt walking path to capture, infiltrate and redirect surface runoff.

Project Name	Watershed and Water Health Education for Urban and Suburban Youth
Applicant	Mequon Nature Preserve, Inc.
Grant Amount	\$24,325
Category	Great Lakes Education
Contact	Kay Amland (262) 242-8055

This project will provide experiential learning to 250 elementary and middle school students about Lake Michigan watersheds and water resource protection through school year and summer camp programming.

Project Name	WATERshed Program (We All Take Environmental Responsibility)
Applicant	Hawthorn Hollow Nature Sanctuary and Arboretum
Grant Amount	\$15,212
Category	Great Lakes Education
Contact	Nancy Carlson (262) 552-8196

This project will create, develop and deploy a sustainable system for expanding the WATERshed program to 4th grade students in the Kenosha Unified School District.

Lake Superior Region (Ashland, Bayfield, Douglas, and Iron Counties)

Project Name	Ashland Ore Dock Redevelopment - Phase 1
Applicant	City of Ashland
Grant Amount	\$80,000
Category	Public Access
Contact	Sara Hudson (715) 682-7059

This project will create final design and construction plans, and bidding documents for the redevelopment of Ore Dock Park.

Project Name	Bayfield County Digital Interactive Hydrogeological Atlas
Applicant	Bayfield County
Grant Amount	\$30,000
Category	Cumulative & Secondary Impacts:Nonpoint
Contact	Scott Galetka (715) 373-6156

This project will develop a digital interactive hydrological atlas that provides an inventory and analysis of groundwater conditions in Bayfield County.

Project Name	City of Superior Comprehensive Outdoor Recreation Plan
Applicant	City of Superior Parks, Recreation and Forestry
Grant Amount	\$24,446
Category	Land Use & Community Planning
Contact	Linda Cadotte (715) 395-7270

This project will develop a Comprehensive Outdoor Recreation Plan focused on identifying a management strategy for public open space, opportunities to diversify recreational programming, and facilities.

Project Name	Groundwater Education and Well Testing Program
Applicant	Douglas County Land and Water Conservation Department
Grant Amount	\$24,800
Category	Great Lakes Education
Contact	Christine Ostern (715) 395-1318

This project will implement a groundwater well testing program to develop a better understanding of baseline groundwater quality and increase public awareness in Douglas County.

Project Name	Preconstruction Phase of La Pointe Town Dock Expansion
Applicant	Town of La Pointe
Grant Amount	\$63,360
Category	Public Access
Contact	Lisa Potswald (715) 747-6914

This project will be the preconstruction phase of the Town Dock expansion. This includes preparing final design/bid documents and securing permits prior to construction.

Project Name	Technical Assistance
Applicant	Northwest Regional Planning Commission
Grant Amount	\$20,000
Category	Technical Assistance
Contact	Jason Laumann (715) 635-2197

This project supports coastal management activities and technical assistance to local governments in the Lake Superior region.

Project Name	Wisconsin Point Dunes Restoration
Applicant	City of Superior
Grant Amount	\$1,375,000
Category	Other
Contact	Linda Cadotte (715) 395-7270

This project will be make access, habitat, and cultural resource protection improvements at Wisconsin Point.

Coastwide

Project Name	EEK – Environmental Education for Kids – Great Lakes Education Portal
Applicant	Wisconsin Wildlife Federation
Grant Amount	\$10,000
Category	Great Lakes Education
Contact	Ruth Ann Lee (800) 897-4161
Coastal Counties	

This project will update and expand the Environmental Education for Kids (EEK!) website by adding information on Wisconsin's natural resources including those relating to the Great Lakes coastal region.
